

**YOUTH BRIDGE FOUNDATION COMMISERATES WITH ZAMBIA
ON THE DEATH OF H. E. KENNETH KAUNDA
(Founding Father and first President of Zambia)**

From Northern Rhodesia to Zambia, the traces of your commitment and passion for the African youth lies undeniable before our eyes, and for that we are forever grateful.

The Youth Bridge Foundation testifies to your immense contribution in the development of Africa's Youth. We recollect the warm reception you gave us at your residence during AYG 2014 in Zambia and the words of admiration and commitment to the AYG initiative revealing that its objective to build a connected African Youth was a dream you and fellow African founding fathers shared and worked at achieving.

And so we, the youth of Africa hold our torches in pride as we reminisce your journey with us. We commiserate with Zambia and the rest of Africa on the loss of a founding father and liberation hero.

Rest in Power Your Excellency Kenneth Kaunda!
